

Project Help

Eagles Wings & City of Washington Utilities

The City of Washington and Eagle's Wings have partnered in order to give you the opportunity to help others in need by assisting them with their utility bill.

How the program works:

1. Three ways to give:
 - a. Have a specified amount added to each of your utility bills
 - b. Make a one- time lump sum contribution
 - c. Have your utility bill rounded up to the next whole dollar amount. The difference is contributed.
2. Your generous tax deductible contribution is collected by the City of Washington Utilities and sent to Eagle's Wings
3. Eagle's Wings distributes contributions as determined by individual's need and makes payments directly to the City of Washington Utilities

Lump sum contributions can be mailed to:

City of Washington
P.O. Box 1988
Washington, NC 27889

Lump sum contributions can be made in person at:

102 East 2nd Street
Washington, NC 27889
